Notice

Addressed to the students presently studying in 3rd, 5th, 7th and 9th semesters (session-2020-21).

As per the resolution of the Committee related to Examination and Academic Calender passed in its meeting held on 03.09.2020, to dispel any misgivings, if any, among the students as to the nature of their promotion to present semester without appearing in the End Term examinations, the undersigned is directed to inform the concerned students that the Press Release of the Bar Council of India dated 9 June 2020 directs that the University shall conduct their end semester examinations (with respect to the year from which the students have been promoted...) after reopening of the University. The relevant portion of the above-mentioned BCI release is reproduced below:-

"4. All the Students, except Final year students, will be promoted on the basis of performance of previous year's marks and marks obtained in the internal examination of the current year. However, it is clarified that after reopening of the colleges/Universities, the Universities shall conduct the end semester examination with respect to the year from which they have been promoted, within a reasonable period of time, though, such promoted students shall continue to study in the year to which they have been promoted, and in case, they are unable to pass/clear any such paper of such end semester exam of the year from which they have been promoted, they shall have to clear the same, before they are granted the degree. In the case of students who have been promoted to the final year as LL.B students, they shall have to pass all papers in order to obtain their degree/s."

Therefore, as per the BCI directions, as the promotion to next year is provisional, the grades given in the examinations of 2nd, 4th, 6th and 8th end semester examinations are also provisional. The finality will be accorded after the results of the end semester examinations which will be held after the reopening of the University.
