on

The Real Estate Regulatory Authority (RERA) of Uttar Pradesh

(October 17, 2024)

I am thrilled to share the details of a remarkable event at Dr Ram Manohar Lohiya National Law University on 17/10/2024. Shri Sanjay Bhoosreddy, the esteemed Chairman of the Real Estate Regulatory Authority (RERA) of Uttar Pradesh, delivered an engaging and insightful lecture to our senior students.

Our Vice Chancellor, Prof. Amar Pal Singh, graced the event, whose encouragement significantly affected the session's success. He emphasised the importance of understanding the regulatory frameworks governing various sectors, including real estate, thereby highlighting the event's significance and its impact on students' learning.

Shri Bhoosreddy's presentation was not just informative; it was a deep dive into the complexities of the real estate sector. He expertly navigated through a range of topics, including the role of R.E.R.A. in promoting transparency and accountability within the industry and the critical legal issues that arise in real estate transactions. His extensive practical experience, a unique lecture aspect, provided students with invaluable insights into navigating regulatory challenges.

Throughout the lecture, students were actively encouraged to ask questions and engage in discussions, allowing for a vibrant exchange of ideas. This interaction enriched the learning experience, empowering students with practical knowledge that is often not covered in traditional curricula. The real-world applications of the concepts discussed resonated deeply with the audience, sparking interest in careers within real estate's regulatory and legal aspects.

Overall, the event was a resounding success, a testament to the university's commitment to bridging the gap between academic learning and professional practice. The knowledge gained from Shri Bhoosreddy's lecture will undoubtedly enhance the student's understanding of the legal landscape in real estate, significantly contributing to their academic and professional growth.
